

Senior Consultant

Brixey & Meyer is a regional accounting and business advisory firm with offices located in Dayton, Cincinnati and Columbus. Founded in 2002, our firm has quickly established itself as the region's first choice for accounting, tax and business advisory services. Our mission is to have a positive impact on the people of our firm and the clients we serve. As a five time winner of the Dayton Business Journal's "Best Places to Work" award, we understand that providing an environment for our team that fosters professional growth and success is a top priority.

We are looking for a talented and motivated **Senior Consultant** to work on assignments across numerous industries. The Senior Consultant will work on a variety of projects with a focus on strategic planning, IT and system implementation, business process redesign and overall change management. The Senior Consultant will gain experience in all of the firm's service lines and will be based in our Dayton office.

Qualifications

- Bachelor's degree with emphasis in finance, accounting and/or information technology.
- Minimum of 5 years of qualified work experience based in consulting services, public accounting or in applicable corporate setting.
- Candidate must possess a strong financial and analytical background with the ability of preparing assessments of complex business models.
- Proven leadership qualities in managing others, includes both internal team members, as well as external client relationships.
- Knowledge of IT infrastructure fundamentals, as well as abilities in working with diverse software applications.
- Previous work experience involving testing or designing internal controls within business and IT functional areas.
- Process oriented with strong organizational skills and the ability to handle multiple responsibilities and meet deadlines.
- Proven ability to work both individually as well as collaboratively within a team setting.
- Previous training in project management, as well as with process re-engineering methodologies.
- Excellent interpersonal, oral and written communication skills.
- Ability to provide training and public speaking in both internal and external settings.
- Demonstrated client relationship management, as well as new client development preferred.
- An ideal candidate will be open to constant learning and training from other team members due to the on-going diversity of the engagements.
- CPA, or equivalent certification preferred.
