Each office participated in different small group give back opportunities

For our firm-wide Annual Day of Giving, we worked directly with Mid-Ohio Food Collective where our team divided and conquered projects at 3 different locations. The Mid-Ohio Food Collective makes such a big impact in our community! It was great getting our team together to support their mission and give back.

**The Brixey & Meyer Community
Outreach Foundation is guided by
employees, with an internal
committee focused on giving back
to the communities we serve.**
